Search Results

Britannica users can find a wide variety of content on the results page of every search. In addition to the Articles tab, you'll find tabs for Britannica's large collection of Images and Videos, the *Merriam-Webster Collegiate Dictionary*, Journals and Periodicals (courtesy of EBSCO), our curated collection of Web sites called Web's Best Sites, Primary Sources and E-books, and Year in Review articles. Simply click on any of the tabs to see the corresponding information.

Article Tools

In every article there are many tools and functions, including the ability to print, automatically cite, translate, and a read aloud feature.

Find article information, multimedia, related articles, and article history.

Users can share Britannica articles and media by clicking on the curved arrow within each piece. Users can favorite pieces to My Research, email to another user, or share to Google Classroom.

My Research

My Research is an easy way to keep track of the Britannica content that you find during your research. Click on the star in any article, photo, video, and Primary Source in Britannica. That piece will be added to your collection of "Favorites." You can also create Resource Packs to organize the information you collect. Finally, you can share your Resource Packs with students or library patrons. My Research is a great tool for teachers, librarians, and students.

My Research Account Set Up

Click on "My Research Login" in the top right corner of any page in Britannica Academic.

When the Login box opens up, click "Sign up now!" at the bottom to create your My Research account.

Fill in the required information and click on the OK button in the lower right corner. Now you are ready to collect Britannica information and create Resource Packs to share with others.
