Global Search Results for All Patrons

This screenshot shows the search results page for 'space exploration' on the Britannica Library website. The page includes a search bar at the top with the query 'space exploration', a 'Level 2' filter selected, and a list of search results. Callouts provide additional information:

- Articles are available at different reading levels!** Select Level 1 for Children, Level 2 for Young Adults, Level 3 for Reference Center, or all 3.
- View results based on content.** A callout points to the 'CONTENT TYPE' sidebar on the left, which lists categories like Articles, Images, Videos, etc.
- TRY THIS SEARCH IN ImageQuest** with an arrow pointing to a button.
- If your library subscribes to ImageQuest, click here to find additional images related to your search.** A callout points to the ImageQuest button.

Encyclopedia Articles

This screenshot shows the full article page for 'space exploration' on the Britannica Library website. The page includes a navigation bar with 'Article', 'Images & Videos', and 'Related' tabs. Callouts provide additional information:

- Check out article information, multimedia, and related articles.** A callout points to the left sidebar containing sections like 'Reaching into Space', 'Spacecraft Fundamentals', and 'Additional Reading'.
- Jump to different reading levels within the article.** A callout points to the 'Reading Level' filter (1, 2, 3) in the top right corner.
- Double click on any word to get the definition and the Spanish translation.** A callout points to a pop-up definition box for the word 'satellite', which includes the English definition and a Spanish translation.
