## Special Content Features & Benefits Include:

✔ **Support for Differentiated Instruction.**

For each article, students can click on the reading level that is right for them while remaining in the Elementary, Middle, or High School interface.

- ✔ **Universal Access.** Enjoy viewing content on a tablet, smartphone, laptop, desktop computer, or any Internet-connected device with a Web browser—the display automatically adjusts! *Britannica School* offers flexibility that is perfect for Bring Your Own Device programs.
- ✔ The easy-to-follow format of **Lesson Plan Builder** makes it a snap for teachers to create and share interactive lessons.
- ✔ The **Biography** browse lets users in the middle and high school levels search by era, nationality, gender, and what they're known for.
- ✔ With **My Content**, students and teachers can easily search, tag, save, and share content. Students can favorite articles, photos, and videos and access them later for reports and projects.
- ✔ Homepages offer a variety of avenues for students to explore content including, **Can You Guess?**, **Did You Know?**, **At A Glance**, **On This Day**, **In Their Words**, **Behind the News**, and **Science in Pictures**.
- ✔ **Lexiles** appear on every article at all three levels.
- ✔ **New Britannica School/ImageQuest Integration!** Subscribers who also subscribe to *Britannica ImageQuest* will be able to explore millions of related images right from the *Britannica School* search results page.
- ✔ Check out video tutorials, free training sessions, and professional development courses at [info.eb.com/bschoolpd](http://info.eb.com/bschoolpd). Free and private professional development available.
