

Activity: KWLQ

Name:

Grades: 6-8

Instructions

The KWLQ process has four parts. First, list what you already Know about the topic. Next, list what you Want to know about it. Then, use these resources to Learn more. Finally, record what you learned and list any new Questions you have.

Questions

What do you already know about this topic? What do you want to know about the topic? What questions do you have about the topic?

Study the resources in this Pack. While you research, write down new questions you have.

What words, phrases, or sentences in the resources cause you to think of more questions?

After you are finished researching, explain what you learned about the topic. Record any answers you found to your questions.

What words, phrases, or sentences in the resources helped you understand the topic better? Explain your thoughts.

What new or remaining questions do you have?

How might you find answers to your new or remaining questions?

Reflect on the KWLQ activity. How did going through these steps help you learn?
